ICE Terminal Screen Protector

INSTALLATION GUIDE

The Hypercom ICE Terminal Screen Protectors are designed to lengthen the life of your ICE terminal touch screen by adding additional protection.

You may order additional ICE Terminal Screen Protectors by contacting Merchant Supplies at 800.522.8710.

There are three ICE Terminal Screen Protectors available. The part numbers are listed below. See Figure 1.

Figure 1 - ICE Terminal Screen Protector

ICE 6000/6500/7000 Series
(shown in Figure 1)
Part Number 700309-001

ICE 5000/5500/5700 Series
Part Number 700311-001

ICE 4000 Series
Part Number 700317-001

Use the following procedure to install the ICE Terminal Screen Protector:

WARNING: Failure to use screen protectors reduces the life of the terminal screen.

1. If an existing ICE Terminal Screen Protector is installed, place the end of the Stylus under the tab of the screen protector. Gently lift the used screen protector off and discard. See Figure 2.

Figure 2

2. Remove the backing off of the new ICE terminal screen protector. See Figure 3.

Figure 3

3. Align the new ICE terminal screen protector over the ICE terminal display. Ensure the adhesive edges are facing the terminal display. See Figure 4.

Figure 4

4. Firmly press the adhesive edges of the screen protector into place. See Figure 5.

Figure 5

5. Using the stylus, firmly press the adhesive edges again to ensure protector is securely attached.
